CHURCH FEDERATION URGES A NEW JAIL

The urgent need of larger and better jail facilities for Phoenix and Maricopa county was the chief subject yesterday noon at the weekly luncheon of the Church Federation. The report of the committee on moral conditions, headed by the Rev. Harcourt W. Peck, on jail conditions, was heard with interest.

The committee described conditions at the county and city jails in its report, recommending a new county jail, a recommendation approved by the federation. The need of a matron at the jail to look after the women and girl cases was also voiced.

GIRLS! LOTS OF BEAUTIFUL HAIR

A small bottle of "Danderine" makes hair thick, glossy and wavy

Removes all dandruff, stops itching scalp and falling hair

To be possessed of a head of heavy beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knott's Danderine now—it costs but a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp, and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.—Adv.

CHURCH FED. IS FOR PROHIBITION AS WAR MEASURE

Resolution Adopted Urging Congress Not To Rescind War Order As Requested By Wilson

The Church Federation of Phoenix has gone on record against the repeal of war-time prohibition by the adoption unanimously of the following resolution at the luncheon of the club yesterday:

"Whereas: Peace has not yet been declared; the demobilization of our forces is proceeding; the business of the country is in the midst of the war reconstruction period with the consequent unrest and uncertainty of labor and capital; and

"Whereas: About half the human race is living on the verge of starvation, or actually perishing for need of food and looking to the United States to save it from perishing; therefore,

"Resolved, That we not only request congress to refuse to grant the recommendation of President Wilson for the repeal of war-time prohibition against the use of foods and foodstuffs for the manufacture of wines and beers, but that we also urgently request our senators and representatives in congress to vote for and use their utmost endeavors to secure the speedy passage of any legislation necessary to the enforcement of war-time prohibition, and also the prohibition constitutional amendment, which goes into effect next January; and,

"Resolved, That Judge J. H. Langston, President of the Phoenix Church Federation, be instructed to send this request to our representatives in congress and press for favorable action.

STATE CONVENTION OF COLORED WOMEN'S CLUBS OF INTEREST

The Arizona Federation of Colored Women's clubs held its annual convention in this city last week, when it went on record in favor of carrying out reconstruction work with the same hearty co-operation it gave to war measures. At the same time the clubs will carry out the policy of the federation of lending its efforts to the uplift and progress of its people.

Mrs. Lynn Carter, president of the federation, in her annual address called attention to the patriotic endeavor of the members during the past strenuous season. She spoke of the splendid way in which the club women rallied to the call of Uncle Sam, doing their bit in Red Cross work, in buying bonds, and campaigning for funds for war activities. Mrs. Carter thanked the officers and club members for the support she received as chairman of the organized body of women.

Mrs. P. R. McCullough read a well-prepared paper on "Reconstruction," in which she pointed out that the world is doing things only by united forces. She advised the club women to bear this in mind and unite in all efforts for the greater development during this period of reconstruction development in all branches of knowledge.

Mrs. Scott, wife of Chaplain Scott of the Tenth cavalry, was among the speakers, giving an inspiring address on club activities of colored women at the various places she has visited. Mrs. F. H. Alexander of the "Sojourn Truth Home" of Los Angeles, told of the work being accomplished by club women of California.

Mrs. Roy Lucas contributed a paper on the "Benefits to Be Derived from Federated Clubs," touching upon the subject of domestic art. In this connection it was interesting to note that the Second Baptist church, where the gathering was held, was hung in specimens of the fine needlework of the club members. A handsome crocheted bedspread, made by Mrs. Lilly Wiggins attracted particular attention, and there were other excellent examples of handwork on display.

The musical features of the program were well received. Mrs. L. A. Walker rendering a charming violin number and the bass solo by James Mullen was another pleasing number.

Greetings from the president of the Northwestern Colored Women's clubs and from Mrs. George White, first president of the Arizona Federation of Colored Women's clubs, who now resides in Los Angeles, were read.

The only outside speaker was Mrs. Joseph Stark of the Woman's club, who discussed the importance of unity and harmony in all club work.

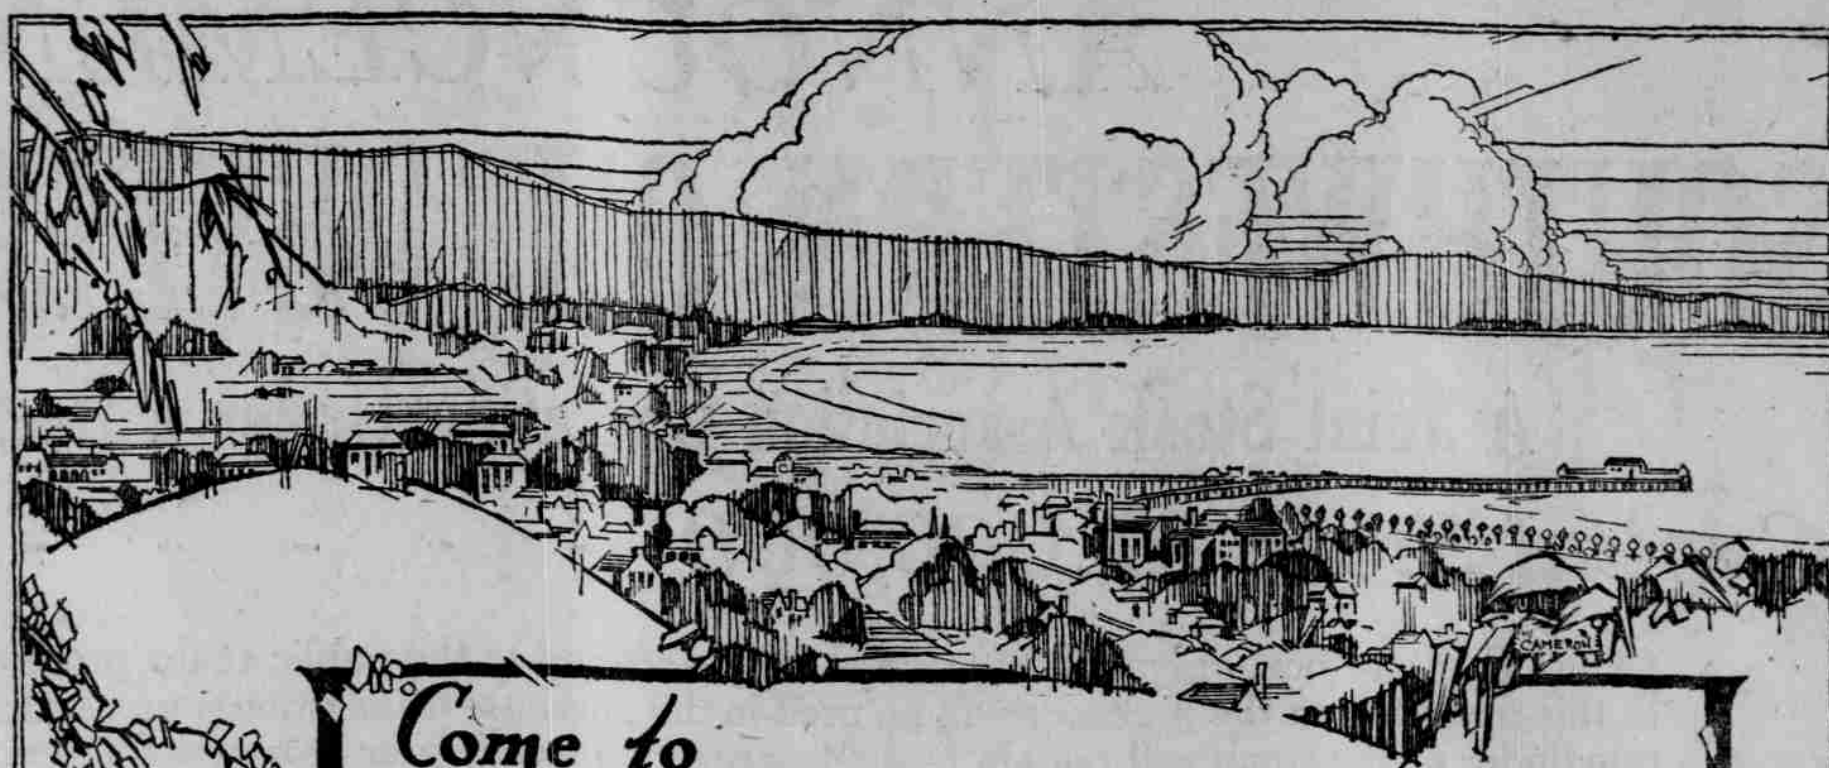

GIVE \$2500 DAMAGES FOR SEIDEL INJURIES

A verdict of \$2500 for the plaintiff, George Seidel, was rendered by the jury late last night in the damage case brought against the Lightning Delivery company of this city.

This case has occupied the greater part of the week in hearing and has attracted considerable attention. The plaintiff asked damages to the amount of \$25,000, based on an accident which occurred last September when the truck owned by the Lightning Delivery company struck Seidel on a bicycle. The man on the bicycle was said to have been traveling north on Central avenue and the truck was behind him traveling in the same direction when the accident occurred.
